2023

CHOKMA!

As part of our mission to enhance the overall quality of life of the Chickasaw people, the Chickasaw Nation remains dedicated to providing vital programs and services that support and advance our vision to be a nation of successful and united people with a strong cultural identity.

Revenues generated from our diversified business portfolio and sound economic investments enable us to offer a range of resources designed to meet citizen needs. From housing and health care to education and employment opportunities, the programs and services outlined in this guide are positively impacting Chickasaw lives.

Please take a moment to review this year's programs and services guide, also available for download at Chickasaw.net.

For more information, please visit Chickasaw.net or call [\(866\) 466-1481](tel:8664661481).

[229 W. Seabrook Road • Ada, OK 74820](http://229.W.Seabrook.Road.Ada.OK.74820)

Impa' Kilimpi' (strong food) encompasses the following Chickasaw Nation programs focused on nutrition education:

GETFRESH! teaches healthy meal preparation through entertaining and interactive cooking demonstrations led by nutrition specialists. Included in these demonstrations are new recipes and skills meant to boost a family's everyday eating experiences. Classes are free and open to everyone. GetFreshCooking.com offers fun fresh recipes, videos and other resources to help users incorporate healthy meals into their daily lives.

EAGLE ADVENTURE offers engaging and interactive lessons to children allowing for hands-on, health-focused learning and taste testing of new foods. This program is offered virtually in select schools educating first through third grade students within the Chickasaw Nation.

CHAMPION NUTRITION is a sports nutrition curriculum developed by a dietitian to enhance an athlete's performance and overall health. This program consists of a series of videos provided in a school or team setting.

The **COMMUNITY SHARING GARDENS** implement food sovereignty by demonstrating an assortment of gardening methods. Methods include the use of recycled materials for planting, composting and indoor gardening with hydroponics. The food grown at these gardens is distributed for use through Chickasaw Nation nutrition programs.
